Link to NEDC press release and media coverage, <https://law.lclark.edu/live/news/28402-challenge-to-nuclear-reactor-pollution-permit>

The lawsuit, filed in Thurston County Superior Court, asks the court to invalidate Energy Northwest's water pollution permit because EFSEC failed to comply with multiple requirements of the Clean Water Act. The groups are represented in the lawsuit by the Law Office of Karl G. Anuta, David Mann of Gendler & Mann, LLP, and Marla Nelson, Staff Attorney for the Northwest Environmental Defense Center.

Jim, sorry to hear this news.
